ABOUT COMPANY

Studies suggest that a clean, safe, and hygienic environment attracts customers and helps businesses build a strong brand image. Presenting a clean and comfortable space requires a reliable and dependable partner.

Rena Professional Cleaning Services is that trusted partner for professional cleaning and has become a **leading cleaning company in Kenya**. We provide our clients with a unique set of benefits that blend quality delivery with cost-saving methodologies.

At Rena, we believe cleaning is more than a task—it's about creating lasting impressions. We don't just clean; we add a sparkle to your spaces. Our team operates as a cohesive unit, with each member specializing in specific tasks to ensure thoroughness and consistency.

This structured approach guarantees top-quality results and saves valuable time, making our service both efficient and reliable.

We achieve this by:

- Investing in technology driven cleaning
- Hiring and training professional cleaners with proven expertise
- Applying eco-friendly solutions for sustainability
- Coming up with flexible, client focused service packages
- Ensuring we offer quality in everything we do

COMPANY HISTORY

The name "**Rena**" comes from the **Swedish word for "clean."** To us, cleaning and organizing are not just chores, but an art form and a beneficial practice for mental well-being, productivity, and creating a positive environment for our clients.

Our mastery of cleaning involves not only efficient techniques but also a mindful approach toward the environment. We are committed to contributing to the **United Nations Sustainable Development Goals (SDGs)**:

SDG 3: Good Health and Well-being – We ensure your spaces are clean and hygienic, which directly benefits overall health and well-being.

SDG 8: Decent Work and Economic Growth – We provide decent work, competitive remuneration, and benefits to our employees, contributing to local economic growth.

SDG 11: Sustainable Cities and Communities – Our vision is to ensure our cities and public spaces are clean and green, creating a positive impact on everyone's well-being.

2018

Rena Professional Cleaning Services was established and registered in Kenya in 2018 to fill the gap of providing executive cleaning services.

What Makes Us Different

We don't just clean—we create environments that inspire confidence and comfort.

- **Unmatched Customer Care**

At Rena, cleaning is more than a task; it's about the experience. From the initial consultation to the final follow-up, our trained staff ensure you feel supported at every step. With hands-on management involvement in every project, your satisfaction is guaranteed.

- **Consistent Quality**

Attention to detail defines us. Our team takes pride in delivering spotless, high-quality results every time, so you can enjoy a cleaner, healthier, and more productive environment.

- **Professional, Trained Staff**

We believe the quality of a service is only as good as the people delivering it. That's why all our cleaners undergo a rigorous selection, training, and screening process, ensuring professionalism, trustworthiness, and consistently excellent results.

- **Proven Reliability**

With Rena, you never have to worry about delays. We use smart technology to track attendance and monitor service quality, guaranteeing every job is completed on time and to the highest standard.

- **Flexible to Your Needs**

We understand that every client has unique schedules and demands. Thanks to our large team and integrated service app, we adapt seamlessly—whether you need daily, weekly, monthly, or one-off cleaning solutions.

Health & Safety First

The safety of our clients and team is our top priority. We strictly adhere to occupational health and safety standards (OH&S) and use only top-grade equipment and materials. This ensures every cleaning session is not only thorough but also safe for everyone involved.
